

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

IN THE MATTER OF:

NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF)	CASE NO. 6602-PP
EQUITABLE GAS COMPANY)	

O R D E R

On December 8, 1976, the Commission issued its Order in Case No. 6602, approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On February 5, 1990, Equitable Gas Company ("Equitable") notified the Commission that its wholesale cost of gas was increased by its supplier, Kentucky West Virginia Gas Company ("Kentucky West"), effective February 1, 1990, and submitted with its notice certain information in compliance with its purchased gas adjustment ("PGA") clause on file with this Commission.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

(1) Equitable's notice of February 5, 1990 set out certain revisions in rates which Equitable proposed to place into effect, said rates being designed to pass on the wholesale increase in price from its supplier in the amount of \$634,546 or \$1.2033 per Mcf.

(2) Kentucky West applied with the Federal Energy Regulatory Commission for increased rates to become effective February 1, 1990. Equitable requested a waiver of the 30-day filing requirement. Pursuant to KRS 278.180, upon Equitable's showing of good cause, Equitable's request should be granted. The effective date for the increase should be on and after the date of this Order. Kentucky West's rates are subject to refund; therefore, Equitable's rates should be subject to refund.

(3) Equitable also requested that the refund factor established in Case No. 6602-NN¹ related to overcollection of cost be eliminated. Equitable stated that the overcollection has been offset by substantial unrecovered costs due to recent increases in its supplier rates. Documentation provided by Equitable indicates that \$24,293 of the proposed refund amount of \$49,058, or 49.5 percent, has been refunded. The undercollection occurred due to the statutory notice period required to implement an increase in rates in the instant case. Hence, recovery of the undercollection is inappropriate. The refund factor as prescribed is and should continue to remain operative.

(4) Equitable's adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 6602 dated December 8, 1976 is fair, just, and reasonable

and in the public interest and should be effective with gas supplied on and after the date of this Order, subject to refund.

IT IS THEREFORE ORDERED that:

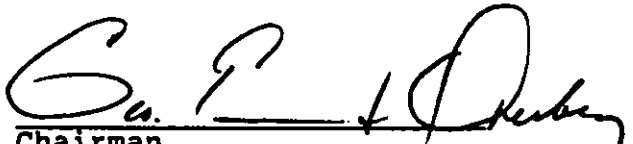

(1) The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable and are approved effective with gas supplied on and after the date of this Order.

(2) Equitable's request to discontinue the refund factor established in Case No. 6602-NN is hereby denied.

(3) Within 30 days of the date of this Order, Equitable shall file with this Commission its revised tariffs setting out the rates and refund factor authorized herein.
